

Supported Living & Community Living Supports

Build the skills and supports needed for greater independence at home and in the community.

HOW BEAM CAN HELP

Individualized support designed around the participant's needs, strengths, IPP goals, and SDP spending plan.

SERVICES MAY INCLUDE

- Household management and meal preparation
- Shopping, budgeting and money management
- Appointments, transportation and community access
- Safety routines, problem-solving and self-advocacy

RECOMMENDED PROVIDER LEVEL

Supported Living Specialist or Trained Direct Support Professional

Direct staff should have developmental-disability experience; supervisory/program-development staff should have substantial supported-living or human-services experience.
